This pack is designed for family use with a large quantity, making it easy for everyone to share and take out.

Quantity: 1000 PCS

Package: CPP/ PP

Stem Material: Bamboo/ Wood

This product is packed in a quantity suitable for personal use, and the sturdy container can be reused for storing other items.

Quantity: 350 PCS

Package: PP/ PET Shrink film

Stem Material: Bamboo/ Wood

This one is suitable for mid-to-high-end retail stores. The box is sturdy, and after the cotton buds are used up, consumers can reuse the container for storing items like cotton pads.

Quantity: 800 PCS

Package: CPP/ PP

Stem Material: Bamboo/ Wood

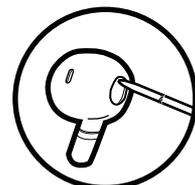

This product is for cleaning electronic devices and for refining eyeliner in makeup. The cotton wrapping helps clean or adjust details without damaging equipment or skin.

Quantity: 400 PCS

Package: PP/ PET Shrink film

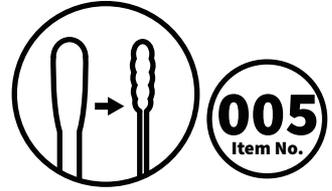

Stem Material: Bamboo/ Wood

This product is designed for children's cleaning. The finer cotton tip sets it apart from other products on the market and makes it a bestseller.

Quantity: 200 PCS
Package: PP/ Pet film
Stem Material: Paper

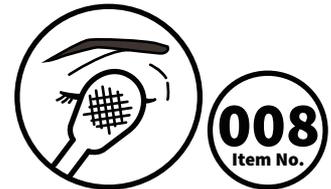

The pear-shaped large cotton tip is ideal for children's cleaning and other gentle, wide-area wiping needs. It is very soft and has a unique shape.

Quantity: 80 PCS
Package: PP/ Pet film
Stem Material: Paper

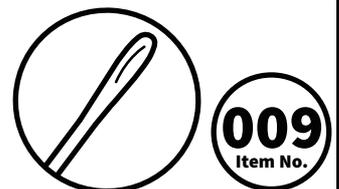

For cosmetics use, it works well to soften or enhance facial shadows and highlights, and is a bestseller in many drugstores.

Quantity: 1000 PCS
Package: PP/ Pet film
Stem Material: Paper

Designed with an ear-spoon shape, the cotton-wrapped tip protects the skin from injury and can also be used in many other situations.

Quantity: 150PCS
Package: PP/ Pet film
Stem Material: Paper

To support global sustainability, we use kraft paper packaging and reusable bamboo products. These are suitable for large-scale sales in retail and wholesale, forming a complete product line for all types of consumers.

Quantity: 200/ 500/ 800 PCS

Package: Kraft Paper/ Pet shrink film

Stem Material: Bamboo
